# New Uzbekistan University

June 23, 2021

This university will embody the pinnacle of achievements not only for our republic but also for the entire world. It will serve as a model for all our institutes and universities, being the flagship of our country's higher education system.

**Shavkat Mirziyoyev**

The President of the Republic of Uzbekistan

## Mission and Vision of the University

### Capacity building

Forming a system for training highly qualified, independently thinking, and patriotic personnel.

### Innovation ecosystem

Creating a research, innovative, and educational ecosystem.

### Academic-industry synergy

Establishing close integration of education and science with the industry.

### Global engagement

Promoting a positive image of Uzbek higher education on the international stage.

The University will promote economic growth and the development of Uzbekistan and beyond towards a knowledge-based economy. A recent curriculum refresh, coupled with active blended-learning opportunities in our learning and study spaces, ensure we provide you with the best possible means for success”

## Prof. Dr. Wolfgang A. Herrmann

Honorary President of New Uzbekistan University,  
President Emeritus of TUM

## School of Management: Seamless Pathway from Undergraduate to Graduate business education

### Key Academic Programs:

- ❖ **BSc in Industrial Management:** Building expertise in industrial operations and management practices.
- ❖ **MSc in Industrial Management - Innovation & Business Expansion:** A double-degree program in collaboration with Hochschule Mittweida, supported by DAAD funding.
- ❖ **PhD in Management:** Advanced research-focused program for academics in management sciences.

### Planned Academic Programs (2025-2026)

- ❖ **MSc in Project Management**
- ❖ **MSc in International Entrepreneurship** (double-degree with Dresden University of Applied Sciences)

### Research Focus Areas:

- ❖ Strategic management, Entrepreneurship
- ❖ Semantic & Network Analysis
- ❖ Renewable energy, Sustainability, CSR
- ❖ Operations and Project Management
- ❖ Supply Chain Management

### International Collaborations:

### Global expertise from top international faculty:

# MSc in Industrial Management: Innovation & Business Expansion

In Partnership with Hochschule Mittweida (DAAD-Funded Initiative)

In April 2024, New Uzbekistan University signed an agreement with **Mittweida Applied Sciences University** to officially launch a dual Master's degree program. This collaboration strengthens academic ties and offers students the opportunity to earn degrees from both institutions.

## Key Facts:

- ❖ Two Master's Degrees: One from each institution.
- ❖ 120 ECTS Over 4 Semesters: Minimum 30 ECTS at Hochschule Mittweida.
- ❖ Balanced Approach: Academic theory, applied research, and industry integration.

## Program Overview:

- ❖ **Semester 1:** Core Management Courses (*Strategy, Finance, IT, Data Analytics*)
- ❖ **Semester 2 (Mittweida):** Focus on Innovation, Risk Management, International Business
- ❖ **Semester 3 (Internship):** Industrial internship (**Mittweida**), Science research project (**NewUU**)
- ❖ **Semester 4:** Master Thesis

## Double-degree cohort profile

# | New Uzbekistan University

## MSc in International Entrepreneurship

In Partnership with HTW Dresden (DAAD-Funded Initiative)

### Key Facts:

- **Curriculum Development (2022–2024):** Joint effort across Germany, Uzbekistan, and Jordan, supported by the DAAD (German Academic Exchange Service) to ensure academic excellence and cross-cultural collaboration.
- **4 International Workshops:** Hosted in Germany, Uzbekistan, and Jordan to shape program content.
- **2-Year Master's Program:** Total of 120 ECTS.

### Program Overview:

- **Core Focus:** Entrepreneurship frameworks, innovation strategy, and startup development.
- **Sandbox Environment:** Hands-on experience in creating and testing business ideas.
- **Startup Project:** Real-world startup launch simulations and mentorship.
- **Local Startup Ecosystem Integration:** Strong ties with accelerators, venture funds, and developer communities.

## Industry Collaboration Through Hackathons & Student Conferences

### Key Initiatives (2023-2024):

#### Startup Weekend Central Asia

- ❖ 76-hour intensive business hackathon focused on testing and validating innovative business ideas.

#### Microsoft Community Conference 2023

- ❖ A platform for students to engage with tech leaders, explore emerging technologies, and showcase their projects.

#### AI Hackathon by ML Community

- ❖ Collaborative projects supported by industry mentors.

#### YESU Regional Development Hackathon 2024

- ❖ Focused on creating innovative solutions for regional economic challenges (in collaboration with the **Center for Economic Research and Reforms**)

## Plans of the School of Management

### 1. Bridging Industry and Academia

- ❖ **Professor of Industry:** Leading CEOs and industry experts as professors integrated directly into teaching and mentoring processes.
- ❖ A dynamic learning environment driven by real-world insights and industry expertise.

### 3. Employability Boost

- ❖ **Integration of Professional Certifications:** Embed CIMA, CMA, ACCA modules into relevant curricula.
- ❖ **Dual Degree Programs:** Develop graduate programs integrated with CAPM/PMP certifications to enhance managerial credentials.
- ❖ **PMI Student Chapter:** Establish a Project Management Institute Student Chapter to provide networking and professional development opportunities.

### 2. Flying Faculty Initiative

- ❖ **An online platform** for distinguished visiting professors to deliver intensive 2-week courses.
- ❖ Cutting-edge knowledge, global best practices, and diverse teaching methodologies from world-class educators.

### 4. International Accreditation Focus

- ❖ **Long-Term Goal:** Achieve AMBA & BGA, and AACSB accreditations.
- ❖ **Aligned Curricula:** Our programs are already designed with Program Outcomes that match international accreditation standards.
- ❖ **2025 Milestone:** A series of workshops led by TUM School of Management to guide our school on quality assurance and accreditation processes.
